*Towards a sustainable production grid infrastructure for Europe*

The EGI Technical Forum will run from 14th to 17th September 2010 and will be hosted by EGI.eu and the Dutch NGI - the BiG Grid project (<http://www.biggrid.nl/>)

The major theme will be establishing collaborations between the new and the current European Distributed Computing Infrastructure projects. For more information on the conference and its programme, please visit: <http://www.egi.eu/EGITF2010>
